UPDATE YOUR EMERGENCY CONTACT FORM

The Cornwall Water Department is compliant with the Pennsylvania Public Notification System requirements. This means that we have a quick and more efficient way to notify you in case an emergency situation would arise. We will continue to request information from all of the residents who receive water/sewer services from the Authority. It is essential and for your benefit that we have at least one way of contacting you.

Take a moment and fill in the requested information below and return the completed form to our office. You may send the completed form with your payment, fax your form to 717-450-5150, or email this form to cornwallinfo@cornwall-pa.com.

You may list as many contact choices as you prefer. Please specify your primary choice.

The Authority thanks you in advance for you cooperation.
